

## Portable, PC-Compatible K-Sun industrial labeling and bar code printer for desktop or job site.

Tackle your labeling needs with this portable, PC-compatible industrial labeling and bar code printer. Model 2011XLB-PC is easily transported for use on the job site, but is still well suited for the plant, laboratory, facility, electrical, aviation, warehouse or office applications.

Model 2011XLB-PC includes a powerful software package, MaxiLabel® Pro software, that is compatible with common Windows® versions. More accurate label design allowed by using your computer keyboard and monitor to design labels and view prior to printing. Can also be disconnected and used as a stand-alone without a computer on the job site.

### Basics

- Lines of text: 1 to 8 lines

### Printing

- Print technology: thermal transfer
- Print resolution: 180 dpi
- Print speed: 6 mm/sec to max 13 mm/sec
- Horizontal and vertical printing
- Enlarge printing: makes labels up to 4 inches wide
- Repeat printing: 100 times
- Alpha-numeric sequence

### PeelGuard™ Tape Trimmer

- Built into system
- Rounds label corners
- Provides peeling protection
- Professional appearance
- More permanent industrial labels

### Printer Kit Contents

- 2011XLB-PC thermal transfer label printer
- MaxiLabel®Pro Windows® software
- Tape cartridge
- USB cable
- 6-AA batteries
- AC adapter
- Tape liner cutter tool
- Printed machine manual

### Environment

- Conforms to FCC Class B Standards
- Lead free parts
- Non-PVC parts
- LSAD-3 AC power adapter

### Safety Functions

- Low battery warning
- Open cover alarm
- Overheat detection
- Auto text storage when power out
- Automatic temperature sensor
- Memory backup
- Battery reversed alarm
- Circuit breaker

The LSAD-3 AC power adapter included with the printer meets the new California Energy Commission's minimum efficiency and no-load energy reduction standards (international versions of adapter are available).

## New MaxiLabel® Pro Software Streamlines Labeling WHQL Certified for WINDOWS® compatibility

**MAXILABEL® PRO** MaxiLabel® Pro software gives the K-Sun LABELShop® 2011XLB-PC printer true PC compatibility. Import logos, graphics and symbols into custom label designs. One hundred-and-fifty pre-set Wizards, speeds users through label design. Software has tape management capability to reduce label margins and preview layout before printing to reduce mistakes and wasted tape. MaxiLabel® Pro software has eight bar code formats and a date and time stamp function for medical and food labels. Software allows labels to be created in other applications such as Word and Excel. Labels created can be stored in the software for recall and printing later. MaxiLabel® Pro software has many symbols and capability to import custom symbol libraries for laboratory, medical, homeland security and electrical applications.
